

## **Choice Solutions, Inc. Recognized as One of America's Fastest-Growing Private Companies**

**Choice Solutions, Inc. Ranks #893 on the 2011 Inc. 500|5000 List  
With Three-Year Sales Growth of 343%**

**Boston, September, 2011** -- Inc. magazine has ranked Choice Solutions, Inc. #893 on its fifth annual Inc. 500|5000 List, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs.

"We are striving to be the best of the best in these exciting and transformational times in the educational technology space, recognition like this serves as a major milestone in our journey towards achieving that objective," said Srinivas Kallakurchi, President and CEO of Choice Solutions, Inc. "We believe that the future of our society rests in the hands of today's learners, and that their experience in education is the single greatest influence on their ability to positively affect the world we live in. In order to provide the best education environment possible it is essential that all stakeholders involved have a clear understanding of what is working and what is not. At Choice, we enable this clairvoyance by bringing the most complete and actionable view of critical education information to policy makers, administrators, educators and learners. This year is no different than any other; we continue to expand at a significant pace while maintaining a truly exceptional level of service/solution quality."

In a stagnant economic environment, the median growth rate of 2011 Inc. 500|5000 companies remains an impressive 94 percent. The companies on this year's list report having created 350,000 jobs in the past three years, and aggregate revenue among the honorees reached \$366 billion, up 14 percent from last year. "Now, more than ever, we depend on Inc. 500/5000 companies to spur innovation, provide jobs, and drive the economy forward. Growth companies, not large corporations, are where the action is," says Inc magazine Editor Jane Berentson.

### **About Choice Solutions, Inc**

As the market leader in Education Longitudinal Data Systems, Choice Solutions, Inc is an enterprise IT service and solution provider with a proud tradition of helping educational entities build better citizens for tomorrow.
